SF Naturals
2025

In 2013, San Francisco Naturals started with a simple mission to supply healthier snacks and beverages to retailers throughout Northern California.

Our reputation revolves around quality relationships, in-demand brands, and exceptional customer service. We will always uphold those principles as we grow to differentiate ourselves from the competition.

San Francisco Naturals, Inc. is a leader in business-to-business wholesale distribution. With thousands of happy clients using San Francisco Naturals as their top food and beverages products distributor, there is no wonder why we have become the most in-demand supplier in Northern California.

In 2023, We have expanded our footprint in the craft beer business supporting our local brands across seven counties

We remain highly selective when adding new brands to our portfolio. Our buying strategy helps us separate (short-term) fads from (long-term) trends while only dealing with brands that respect our business and care about our customers.

Thanks to our amazing team, past and present—for helping us build this amazing business which has become a family. We are forever grateful to our customers and vendor partners for the years of support.
Stay Healthy,

Sam Elgendy, CEO
Fady Soryal, Co-founder and CFO

Please note that we carry a \$350.00 minimum order for deliveries in San Francisco, East Bay, Peninsula, and South Bay.
We carry a \$500.00 minimum for deliveries in North Bay

WIZARD BOOTS HAZY PALE

New school unfiltered pale ale - big lush fruity hop notes without an over-assertive bitterness.

*Simcoe, Amarillo, Luminosa
5.8 ABV*

JESTER'S PRIVILEGE IPA

A modern execution of the West Coast IPA - clean and neutral palate with a tropical bouquet.

*Magnum, Comet, Huell Melon, El Dorado, Citra
6.7 ABV*

BRAIN BYPASS HELLES LAGER

Our flagship pale lager is well balanced and malt forward - impressions of leavening dough, subtly floral. 2023 California State Fair Gold Medal Winner!

*Magnum, Hallertau Hersbrucker
5.2 ABV*

PARTY EYES KOLSCH

A "hybrid" style beer between an ale and a lager. Pale golden color, high effervescence and a dry finish.
